If we have processed your order in accordance with the information you have provided to us it will be considered correctly completed even if you have made a mistake.

4.13 **What happens if you provide us with incorrect information.**

- (a) If you provide incorrect information with your payment Instruction, we will use reasonable efforts to recover the funds for you and may need to charge you a fee for that.
- (b) If your funds are sent to the wrong account as the result of a mistake made by you, and we have acted in accordance with your Instructions, we will be under no obligation to recover the funds or to resend the funds to the correct Beneficiary Account.
- (c) If your funds are sent to the wrong account as the result of our mistake, we will take urgent action to recover those funds, provided that you assist us in recovering such funds if the mistaken beneficiary is known to you or is associated with you in some way.

5. **EXCHANGE RATE**

5.1 **The applicable exchange rate.** We will let you know the exchange rate:

- (a) when you place your payment order, if it is a guaranteed rate payment order; or
- (b) when we have converted your Source Currency into the Target Currency, if it is a non-guaranteed rate payment order.

5.2 **Exchange rate.**

- (a) Unless specified otherwise, when we refer to an exchange rate in this Agreement, it means the mid-market exchange rate at the relevant time for the relevant currency pair (for example, GBP to EUR, USD to AUD) as provided by our reference rate provider, Reuters. We may change our reference rate provider from time to time without notice to you.
- (b) For some currencies, we cannot use the mid-market exchange rate as we are required to use a different reference rate for the exchange rate for your currency pair. For these currencies we will notify you of the reference rate used for the exchange rate when you place your payment order.

6. **RECEIVING MONEY**

6.1 **You can receive money into your CAPAY Account.** You can receive money into your CAPAY Account using methods which we support from time to time.

6.2 **The money received is shown in your CAPAY Account.** Any money you receive into your CAPAY Account will be recorded in the transaction history section of your CAPAY Account. You should check the incoming funds in your CAPAY Account against your own records

regularly and let us know if there are any irregularities.

- 6.3 **The money received may be subject to reversal.** You acknowledge that the money received in your CAPAY Account ("**Received Amount**") may be subject to reversal and you agree that we may deduct the Received Amount from your CAPAY Account if it was reversed by the person who paid you the Received Amount or any relevant payment services provider.
- 6.4 **Sending money using an email address.** If you send money to a person using an email address which is not registered with us, the money will not be credited until the intended recipient has claimed the money following the steps we have set out for them. Until then, there is no relationship between us and the intended recipient and the money continues to belong to you. We will refund the money to you if the intended recipient does not claim the money or if they have failed our customer checks within a reasonable time period as determined by us.

7. MAINTAINING YOUR CAPAY ACCOUNT

- 7.1 **Transaction history is displayed on your CAPAY Account.** All your transactions (including money you have uploaded, received, sent and/or withdrawn) are recorded in the transaction history section of your CAPAY Account. You may access this information after you log in to your CAPAY Account. We have allocated a reference number to each transaction, you should quote this reference number when communicating with us about a particular transaction.
- 7.2 **Check your CAPAY Account regularly.** You must check your CAPAY Account regularly and carefully and contact us immediately if you do not recognise a transaction or think we have made a payment incorrectly. You must tell us about:
- (a) any unauthorised transactions immediately, but no later than five (5) Business Days from the transaction; otherwise you may not be entitled to have any errors corrected; and
 - (b) any incorrect Transactions executed by you within one (1) hour as required in subclause 21.2 of this Agreement;

otherwise you may not be entitled to have any errors corrected.

- 7.3 **No negative balance in your CAPAY Account.** You promise to always have a zero or positive Balance in your CAPAY Account. If your CAPAY Account goes into a negative balance as a result of a chargeback, reversal of a transaction, deduction of fees or any other action carried by you, you promise to repay the negative balance immediately without any notice from us. We may send you reminders or take such other reasonable actions to recover the negative balance from you, for example, we may use a debt collection service or take further legal action. We will charge you for any costs we may incur as a result of these

additional collection efforts.

- 7.4 **Taxes.** You are responsible for any taxes which may be applicable to payments you make or receive, and it is your responsibility to collect, report and pay the correct tax to the appropriate tax authority.

8. WITHDRAWING FROM YOUR CAPAY ACCOUNT

- 8.1 **Request to withdraw your money.** After you log in to your CAPAY Account, you may request all or part of your money held in your CAPAY Account to be withdrawn. Go to the “Payment” section of your CAPAY Systems and follow the steps as prompted on screen. We will charge you a fee for each withdrawal request. We will let you know the exact amount when you submit your request. You can also find out more information about any applicable fees we charge on the CAPAY Systems.
- 8.2 **Available Payout Methods.** You may be presented with one or more methods of withdrawal (in this Agreement, we will call these methods “**Payout Methods**”). The number of Payout Methods made available to you will depend on a number of factors including where you live and your verification status with us. We do not guarantee the use of any particular Payout Method and may change or stop offering a Payout Method at any time without notice to you in our sole discretion, but we will ensure that you will always have at least one Payout Method available to you.
- 8.3 **Payout Methods are not part of our Remittance Services.** Payout Methods are not part of our Remittance Services, they are services provided by third parties for example the bank where you hold your bank account. For the purposes of a withdrawal transaction, we are a payer and not a payment service provider.
- 8.4 **You must provide correct information to us.** When setting up your withdrawal request, you must ensure that the information you provide is correct and complete. We will not be responsible for money sent to the wrong recipient as a result of incorrect information provided by you. If you have provided wrong information to us, you may ask us to assist you in recovering the money, but we do not guarantee that such efforts will be successful.
- 8.5 **Withdrawal request is subject to limits.** You agree that your CAPAY Account is subject to withdrawal limits. If your withdrawal request exceeds the current limit, we may decline your request and require you to provide additional documents to us so that we can carry out additional checks before allowing the money to be withdrawn.

9. FEES FOR USING CAPAY ACCOUNT

- 9.1 **You must pay our fees.** You must pay the fees in connection with the use of our Remittance Services. We will not process your transaction until we have received the fees from you.
- 9.2 You can see any fees applicable to you on the CAPAY Systems. We will let you know the

exact amount payable by you when you set up your Instruction. For clarity, the fees applicable to you as set out on the CAPAY Systems form part of this Agreement which may be subject to change.

- 9.3 We can make deductions from your CAPAY Account. You agree that we are authorised to deduct our fees, any applicable reversal amounts, and/or any amounts you owe us from your CAPAY Account. If you do not have enough money in your CAPAY Account to cover these amounts, we may refuse to execute the relevant Transaction or provide any Remittance Services to you.

10. CURRENCY CONVERSION

- 10.1 **You may convert the money held in one currency in your CAPAY Account into other currencies we support from time to time.** You can only perform a conversion in respect of funds that you already hold in your CAPAY Account. Schedule B – Financial Services (FX Contracts and Derivatives: Spot, Forward, Options)

1. APPLICABILITY OF THIS SCHEDULE

- 1.1 Where applicable, this Schedule B applies to all your dealings with us in relation to Spot FX, Forwards and Options.

2. MARGIN

- 2.1 **Margin Requirements.** Margin requirements are applicable to all Spot FX, Forwards and Options to which we act as a counterparty. CAFX applies the following main principles in relation to our Margin practices:

- (a) You must provide Initial Margin (if required) before issuance of any Spot FX, Forwards or Options, and you are liable to meet all Margin Calls;
- (b) When you have open positions, you are obliged to maintain at all times the total Margin requirements for all of your open positions;
- (c) The Margin Call obligation is in addition to your obligation to maintain the total Margin requirements for your Account;
- (d) The timing and amount of each Margin Call will depend on movements in the market price of the open positions and the changes to your net equity and funds available for Margin;
- (e) You have an obligation to meet the Margin Call even if we cannot successfully contact you. We are not obliged to notify you about your obligation under Margin Calls, though we may do so by email, phone call, via CAPAY Account or otherwise, as a courtesy.

- 2.2 **Initial Margin.** CAFX may, in its sole discretion, require you to:

- (a) provide Initial Margin in relation to any Option or Forward within twenty-four (24) hours of the Instructions to enter into an Option or Forward; and/or;
- (b) provide Initial Margin, if not already provided, within one (1) clear Business Day at any time during the term of an Option or Forward.

- 2.3 **Variation Margin.** If CAFX determines, in its sole discretion, that the net market value of all of your open Transactions has declined and the unrealised loss when marked to market exceeds a percentage or fixed

amount as CAFX may advise, of the notional value of the open Transactions, you are required to post Variation Margin as stated in the Margin Call issued by CAFX. Each time the net market value of all of your open Transactions decline and the unrealised loss when marked to market further increase, CAFX may issue a Margin Call whereby you are required to post additional Variation Margin in the amount stated in the Margin Call within one (1) clear Business Day. Payment of Variation Margin is due on or before the close of business on the next Business Day after the day CAFX issues Margin Call to you.

- 2.4 **Return of Margin.** If the unrealised loss of all your open Transactions falls below the Variation Margin requirements established elsewhere in this Agreement, based on our computation on any Business Day, then you may request that we return to you the difference between the unrealised loss of all open Transactions and the Variation Margin held by CAFX on that Business Day. Upon receipt of the notice, CAFX may process the return in a timely manner but does not guarantee that the return will be processed on the same day.
- 2.5 **Margin is non-refundable.** Subject to section 2.4, any Margin paid by you to CAFX is non-refundable and will be applied to satisfy your total payment obligation owed to CAFX with respect to the relevant Transaction by the Settlement Cut-off Time or on the date of any final Drawdown.
- 2.6 **Failure to meet Margin requirements.** If CAFX does not receive Initial Margin or Variation Margin when due, CAFX, at its option and in its sole discretion, may close out any or all of your open Transactions and apply the proceeds first to reimburse CAFX for the amounts due under the Transactions, including all Losses, and remit the balance of the proceeds, if any, to you. If the proceeds of disposition are insufficient to fully satisfy the amount owing to CAFX, then you shall pay to CAFX the difference within one (1) clear Business Day.

3. YOUR MONEY FOR DEALING IN SPOT FX, FORWARDS AND OPTIONS

- 3.1 **Trust Account.** We handle all client money we receive in relation to Forwards and/or Options in accordance with and subject to this Agreement and the following applicable laws (**Australian Wholesale Client Money Rules**) to the extent that they are applicable to your dealings with us:
- (a) Part 7.8 of Division 2 of the Corporations Act;
 - (b) the relevant regulations in the Corporations Regulations 2001; and
 - (c) ASIC Regulatory Guide 212: Client money relating to dealing in OTC derivatives.

(d) Your client money paid to us in relation to Forwards and/or Options will be paid into a trust account maintained by us with an authorised deposit-taking institution (ADI). We will not be liable for the insolvency or any act or omission of any ADI holding the trust account. Your moneys may be co-mingled into one or more pooled trust accounts with other clients' moneys.

3.2 Investment or other dealing of your money. We may invest any of your money paid to us in relation to Spot FX, Forwards and/or Options as permitted by the Applicable Laws and you authorise us to undertake any such investment. Unless otherwise agreed in writing with you:

- (a) We are solely entitled to any interest or earnings derived from your moneys being deposited with us or invested by us in accordance with the Applicable Laws, with such interest or earnings being payable to us from the relevant account or investment account, as the case requires as and when we determine;
- (b) upon realisation of an investment of your moneys, the initial capital invested must either be invested in another investment permitted by the Applicable Laws or deposited by us into an account operated in accordance with the Applicable Laws;
- (c) in the event that the amount received upon realisation of an investment of your moneys is less than the initial capital invested, we must pay an amount equal to the difference into the account for the benefit of you, except where any such difference is the result of amounts paid out of the investment to us and/or any Associate of ours in accordance with this Agreement;
- (d) We will not charge a fee for investing your moneys in accordance with the Applicable Laws.

3.3 Your authorisation. You irrevocably and unconditionally authorise us and/or any Associate of ours to:

- (a) withdraw, deduct, apply or otherwise use any amounts payable by you to us and/or any Associate of ours under this Agreement from your moneys held in any account or invested by us in relation to Spot FX, Forwards and/or Options, for the purpose of meeting obligations incurred by us in connection with the margining, guaranteeing, securing, transferring, adjusting or settling of dealings in any Contracts entered into by us (including dealings on behalf of entities and people other than a client of ours);

- (b) withdraw, deduct, apply or otherwise use any amounts payable by you to us and/or any Associate of ours under this Agreement from your moneys held in any account or invested by us in relation to Spot FX, Forwards and/or Options, for the payment of interest, fees or charges to us. You acknowledge and agree that such amounts belong to us under this Agreement and may be used by us in our business from time to time;
- (c) pay, withdraw, deduct or apply any amounts from your moneys in relation to Spot FX, Forwards and/or Options, held in any account or invested by us as permitted by the Applicable Laws, it being acknowledged and agreed by you that any such amounts that belong to us may be used by us in our business from time to time, including for the payment of amounts to our counterparties;
- (d) deal with any property, other than money, given to us under this Agreement, including, without limitation:
 - (i) dealing with such property in connection with the margining, adjusting or settling of dealings in any Contracts entered into by you; or
 - (ii) selling or charging in any way any or all of your property which may from time to time be in the possession or control of us or any of our Associates following the happening of an Event of Default;
- (e) deal with any property, other than money, given to us as permitted by the Applicable Laws.

4. FORWARDS

4.1 **Risks.** You acknowledge and agree that you expressly accept the risks associated with Forward noting that the value of the currencies in a Forward may change between the date of the Transaction and the Settlement Cut-off Time.

4.2 **Dealing in Forward Contracts:**

- (a) A Forward can only be requested by phone, email or via the CAPAY Systems, and will become legally binding as and from the time the Transaction details are agreed between you and CAFX during the phone call, entered into via the CAPAY System or otherwise agreed by CAFX, and as further evidenced in the Transaction Confirmation.

- (b) You may request early Drawdown, i.e. pre-delivery, of your Forwards via phone, email or the CAPAY Systems. This will reduce your obligation under the Forward. Depending on the market forward points, Drawdown (or pre-delivery) could mean a discount from the Forward rate or the Premium from the Forward rate. If CAFX agrees to your request, CAFX may adjust the agreed Transaction rate. Unless otherwise agreed, the Transaction becomes payable on the agreed Settlement Cut-off Time.
- (c) Forwards may be extended (or Rollover) beyond the Settlement Cut-off Time but only at the discretion of and on conditions set by CAFX (including, but not limited to, adjustment of the agreed Transaction rate). If CAFX agrees to such an extension, you agree that the existing Forward will be terminated based on a rate determined by CAFX and a new Forward will be entered into which reflects the agreed changes. You acknowledge that the rates for the new Forward and for the termination of the original Forward may differ from those in the original Forward. You agree that all losses and costs in relation to the change are your responsibility and must be paid within two (2) Business Days of termination of the original Forward.

4.3 **Historical Rate Roll.** You acknowledge that CAFX does not usually permit Forward to roll over at the rate(s) set out in the Transaction Confirmation applicable to the relevant Transaction (“**Historical Rate Roll**”). CAFX may consider a Historical Rate Roll in its sole discretion and on a case by case basis and on written request by you. An Application/request for Historical Rate Roll must be communicated to CAFX via phone or email, not via the CAPAY Systems.

4.4 **Margin requirements.** You acknowledge that we bear the risk that you may default on Settlement of the Forwards, and to mitigate this risk, we reserve the right to request that you pay one or more partial payments (Initial Margin and Variation Margin) in relation to all Forwards.

4.5 **Payment of full amount on Settlement Cut-off Time:**

- (a) You must transmit to CAFX's nominated account the full amount required to settle the Forward, less any Margin payment already paid, together with any Fees that we (or any third party) have requested, on or before the Settlement Cut-off Time.
- (b) If you fail to pay in full any Margin requirements or Settlement amount, CAFX may exercise its rights as set out in clause 43.

5. OPTIONS

- 5.1 **Risks.** You acknowledge and agree that you expressly accept the risks associated with Options noting that the value of the Options may change between the date of the Transaction and the Expiration Date. You expressly accept that a Premium is not refundable and that a potential loss in full or partial of Premium payment will result to you if the Option is not exercised or if the gain on exercise of the Option is less than the Premium.
- 5.2 **Dealing in Options.** All Options may be entered into only by phone or via email. An Option will become legally binding as and from the time that the Transaction details are agreed between CAFX and you over the phone, or otherwise agreed by CAFX via email, and as further evidenced in the Transaction Confirmation.
- 5.3 **Premium:**
- (a) If applicable, the Premium required will be specified in the Transaction Confirmation. The Premium must be paid to CAFX within two (2) Business Days of the Option being entered into.
 - (b) The Premium is a non-refundable fee. It does not relate to the underlying transaction that will be entered into when the Option is exercised and will not be applied towards a reduction of the Settlement amount payable under the underlying Transaction.
 - (c) In the event that you fail to pay the Premium in accordance with section 5.2 of this Schedule B, CAFX is not obliged to exercise the Option, and reserves the right to terminate the Option upon twenty-four (24) hours' oral or written notice and recover all Losses incurred in connection with the Option. In the event the Option is terminated, the Premium remains payable by you as a debt to us. CAFX may also exercise its rights under clause 43.
- 5.4 **Windows and Trigger Rates.** Some Options allow a Window on the trigger event ("**Trigger**"). If the Option allows a Window for the Trigger, the applicable rate i.e. the Trigger Rate, can only be triggered during the period of the Window.
- 5.5 **Exercise the Option:**
- (a) Should you decide to exercise the Option, you must notify CAFX of your election to do so either by phone or email no later than the Expiration Time on the Expiration Date. Upon exercising the Option, you will be automatically entered into a Spot FX detailed in the Transaction Confirmation and will be bound by this Agreement. You

- must immediately provide CAFX with Beneficiary Account details and deliver to us in full the Settlement Amount within twenty-four (24) hours.
- (b) Unless CAFX receives contrary Instructions from you prior to the Expiration Date, CAFX will automatically exercise an 'in the money' (ITM) Option on your behalf. If an Option is not exercised in accordance with this section, the Option will lapse at the Expiration Time on the Expiration Date.

6. CREDIT FACILITY

- 6.1 **Credit Offer Letter.** Where CAFX has agreed to provide you with a CAPAY Account and provide Services to you in relation to:
- (a) Forwards or/and Options, CAFX will issue you a credit offer letter for your consideration and execution; and
- (b) Spot FX, CAFX may issue you a credit offer letter if requested by you. Please speak with your Account manager for further information.
- 6.2 **When a Credit Facility will be issued.** Once you agree to the Credit Offer Letter and return an executed version to us, a Credit Facility will be established and applied to your CAPAY Account, Instructions and Transactions in relation to your dealings in Spot FX, Forwards and Options. The setting of any applicable Credit Facility will be at the absolute discretion of CAFX.
- 6.3 **Exceeding the applicable Credit Facility.** You acknowledge and agree that if CAFX acts on an Instruction and/or Transaction which would result in a Credit Facility being exceeded:
- (a) you will continue to be liable to CAFX for all amounts including those above the Credit Facility; and
- (b) CAFX is not obligated to (but may) act upon any subsequent Instruction where a Credit Facility might be exceeded.

7. SETTLEMENT

- 7.1 **Settlement.**

7.3 Settlement Extension.

- (a) In the event we do not receive Settlement on or before Settlement Cut-off Time, we may, without your consent, amend the originally agreed upon Value Date to the immediately subsequent Business Day ("Settlement Extension"). In the event of our acceptance of a Settlement Extension Request, you agree to pay to us on demand within one (1) clear Business Day the amount of any and all Losses we incur and any fee assessed by us to you in connection with its fulfilment of the Settlement Extension Request.

- 7.4 **Failure to make payments.** If you fail to make immediate payment in full Settlement for a Transaction or Instruction by the required timeframe or any other amount under this Agreement, we have the right to:
